
Technical Bulletin

Boxer 4K30 recommended orientations

This bulletin provides information about recommended orientations when installing Boxer 4K30.

Affected products

The following products are affected:

- Boxer 4K30

Orientation recommendations

Note the following recommendations for orienting Boxer 4K30.

- For optimal lamp life, Christie recommends orienting the projector in landscape orientation (not inverted).
- If portrait orientation is required, Christie recommends orienting the projector electrical-side up.
